Christmas Mini Sessions 2026 _ Terms & Conditions

Booking & Payment

Christmas Mini Sessions are $150 per session, payable in full at the time of booking. Your appointment is confirmed once payment has been received.

Dates & Setups

Saturday 28 November 2026 _ Magical Christmas. A fully styled Christmas backdrop with festive props and decorations.

Sunday 29 November 2026 _ Timeless Christmas. A minimalist golden circle arch with Christmas greenery, with the option to remove the arch for a plain white background.

Each setup is available on its advertised date only.

Sunday Background Options

Customers booking Sunday may choose between the minimalist Christmas arch and a plain white background.

Where time permits, we may be able to photograph both backgrounds during the session. However, as each session is only 15 minutes, we cannot guarantee both.

Session Duration & Arrival

Each session is 15 minutes long. Please arrive approximately 5 minutes before your appointment.

Sessions are booked close together, so late arrivals may have a shorter session. Unfortunately, we cannot extend appointments due to late arrival.

There is no time for outfit changes during the session.

Who Can Attend?

Sessions are suitable for children, siblings, couples, immediate families and dogs.

A maximum of 5 people per session applies. Please contact us before booking for larger groups or if you're bringing multiple dogs.

Dogs Welcome!

Well-behaved dogs are welcome on both days.

Dogs must be under the supervision and control of their owner at all times and remain on a lead when not being photographed.

Owners are responsible for their dog's behaviour, safety and any damage caused to studio equipment, props or decorations, subject to applicable law.

Please ensure your dog has had a toilet break before arriving. If your dog is nervous around unfamiliar people or other dogs, please let us know before your session so we can plan accordingly.

For everyone's comfort, we ask that dogs are kept outside the studio until their appointment is ready to begin.

Images & Editing

Each package includes 5 professionally edited digital images, supplied in both colour and black & white.

After your session, you'll receive a private online proof gallery to select your favourites.

Additional images may be purchased separately.

All editing is completed in Picaboo Studio's photography style. RAW and unedited images are not supplied.

Proof Gallery & Delivery

Proof galleries will be provided within approximately 5 working days of your session.

Customers are asked to make their selections within 5 days of receiving their proof gallery.

Final edited images will be delivered approximately 1–2 weeks after selections are received, provided any outstanding additional image invoices have been paid.

We aim to deliver images before Christmas. Delayed image selections or payments may affect delivery.

Photo Magnet Add-ons

Personalised photo magnets are available as an optional extra.

Magnets can be ordered using purchased images from your session. Prices, production timeframes and collection or delivery arrangements will be provided separately.

Cancellations & Rescheduling

As these are limited seasonal appointments, changes are subject to availability.

If you need to cancel or reschedule, please contact us as soon as possible.

Any refunds or cancellations will be handled in accordance with Picaboo Studio's general booking terms and applicable New Zealand consumer law.

Children, Pets & Cooperation

We'll always do our best to keep sessions relaxed and enjoyable. However, specific smiles, poses, family combinations or pet cooperation cannot be guaranteed within the allocated session time.

Studio Rules

Children and pets must be supervised at all times.

Please treat the studio, decorations and props with care.

Personal photography and video recording during sessions are not permitted.

Agreement

By completing your booking, you agree to these Christmas Mini Session terms and Picaboo Studio's general photography terms and conditions.
